Activities in camp are designed to be safe and campers will be taught standard safety. In case of injury, Googenius does NOT provide insurance for campers, and liability under the law must be based on fault. It is necessary to establish the liability and negligence of Googenius and that the camper was free from any negligence. Campers and parents are advised to be certain that there is coverage by personal or family health care and accident insurance. Please sign the following statement:

I accept this accident policy, and in the event that I am unavailable for providing parental consent, I hereby authorize the local emergency health care system to provide my camper health care.
